## Education

### Denison University | Granville, OH

BA in Creative Writing, Bluegrass Music minor  
Class of 2018, *Cum Laude* (3.74 GPA)

## Experience

### Fretboard Journal | Seattle, WA

*Editorial Intern, October 2018 – present*

Interviewing instrument builders from around the world and writing articles that chronicle their entrance into and development within the luthier profession. Once I develop the questions and conduct the interviews themselves, I format the articles for web platform using WordPress.

### Public Lives, Secret Recipes | Santa Monica, CA

*Freelance Copywriter and Editor, May 2017 – present*

Providing copywriting and copyediting services for blog and social media platforms, ensuring content is coherent and concise while maintaining the brand's voice.

### The Borgen Project | Seattle, WA

*Writer Intern, September – November 2018*

Researching and writing articles about the political, economic, and social conditions in impoverished countries. Additional tasks include fundraising over \$500 in under one month and contacting congressional leaders weekly in support of poverty-reducing legislation.

### Denison University | Granville, OH

*Young Scholars Student Researcher, Summer 2017*

Researched Southern literary styles, cultural fixations, and linguistic tendencies, then applied these in composing imitative, yet original stories.
